Mr. Andrew Falkiewicz, Assistant
to the Director for Public Information
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Falkiewicz:

During this Winter academic quarter I will be teaching a political science course entitled (CIA and National Intelligence). There will be approximately 25 students in the class most of whom will be junior and senior political science majors.

I want my students to be exposed to a variety of perspectives in this course. Therefore, I request that you send a speaker from the CIA to lecture and to answer student questions. Preferably the speaker would be someone who is familiar with the Rockefeller, Church and Pike reports.

The class will meet every Tuesday evening from 6:00 to 9:40 p.m. during the first ten weeks of 1977. Ideally, the CIA spokesman would attend the first two hours of class. The best time from my perspective would be one of the following four dates: February 8, 15, 22, or March 3.

The agency spokesman would also be asked to do a brief interview with the university newspaper.

I look forward to a response at your earliest convenience.

Sincerely,

James S. Fay, Associate Professor
of Political Science
